

AS-80 SUPER COMPACT

AS-80-011

The AS-80 is a compact automatic spray gun with a rugged high-quality construction that is available in Stainless Steel or Aluminum. Measuring in at only 2.8 inches it is extremely easy to maintain. The AS-80 features fine atomization that can be set up with a standard fan pattern which produces high-quality flat finishes or it can be adjusted to a directional pattern that allows operation in small, tight, hard-to-reach areas. All of these traits make the AS-80 one of the most unique spray guns of its kind.

- Super compact
- Fine atomization
- Narrow spray pattern
- Low maintenance
