West Chester, OH 45011

Dear Mrs. Robbe

APPROVAL OF SERIES 2 WS-400 SPRAY GUNS WITHIN THE SHASTA COUNTY AIR QUALITY MANAGEMENT DISTRICT

In response to an e-mail dated June 10, 2024, from Sara Robbe, regarding approval of the above-subject spray gun, the Shasta County Air Quality Management District offers the following as official approval.

Please be advised that the Shasta County Air Quality Management District will authorize the use of any spray-coating equipment that can demonstrate at least 65 percent transfer efficiency under the conditions of its use. The material from the South Coast Air Quality Management District, which you provided with your letter, indicates that your spray guns are capable of meeting this standard. Therefore, the Shasta County Air Quality Management District will authorize the use of the subject Series 2 WS-400 spray guns in Shasta County subject to the same conditions as those mentioned by the South Coast Air Quality Management District in their letter dated April 13, 2023.

Should you have any questions regarding this authorization please feel free to call me at (530) 225-5674 or e-mail me at rstahl@shastacounty.gov.

Sincerely,

Rob Stahl
Air Quality District Manager
