

END-TO-END COATING SOLUTION

introducing the WBX SPRAY GUN KIT

North American Exclusive

- Excellent Versatility
- Split Nozzle Technology
- High Transfer Efficiency

Featuring the North American exclusive W-400-LV-WBX spray gun, the WBX Spray Gun Kit: Red Edition is made for end-to-end use on projects since it can adapt to low to high viscosity coatings. The WBX spray gun features ANEST IWATA's proven split nozzle technology, giving users a fast, smooth, flat finish. Operating at a low air pressure while maintaining a wide fan pattern means less rework, saving users time, materials and money.

Kit Includes:

W-400-LV-WBX 1.8 Gravity Compliant Spray Gun
1.5 Nozzle Needle Set
1.3 Nozzle Needle Set
700 ml Aluminum Gravity Cup
Air Regulator
Spray Gun Lubricant
Brush
Wrench

ORDERING INFORMATION

ITEM NO.	MODEL ID	NOZZLE MM
9279	WBX Spray Gun Kit	1.3 - 1.5 - 1.8

Red air cap marked max 20 psi /W400LVWBX indicates compliant model specifically intended for use in North America. No other model marked with "WBX" or marketed under the WBX Series has been approved for use in the United States by any environmental agency or governing body. Use of any non-compliant spray equipment in a regulated area can lead to costly fines and additional penalties for the individual user and their employer.
