The WIDER1 Extension Spray Gun: Purpose-built for the hard-to-reach areas.

Available in three lengths and three spray angles.

The compact, lightweight efficiency and performance of the WIDER1 spray gun has been reconfigured to meet the difficult and demanding needs of industrial applications. From inside of pipe sections to behind marine bulkheads, the compact angled head of the WIDER1 Extension Spray Gun can reach the spots where nothing else can.

Available in lengths ranging from 150 to 500mm and head angles up to 90°, there's a WIDER1 Extension Spray Gun to fit wherever you're looking to spray.
